You are aware that participation in your tour/cruise activities is occurring in public locations, which may be or may have been affected by the COVID-19 pandemic.
 - You are aware that COVID-19 is a highly contagious and dangerous disease that is believed to spread mainly from person to person contact, and that contact with the virus that causes COVID-19 may result in significant personal injury or death.
 - You are aware that you could encounter others, including but not limited to others traveling with The Company, who have COVID-19 or other infectious diseases, or who are infected with the virus that causes COVID-19 or other viruses but who exhibit no symptoms of infection or an infectious disease, which could result in your having serious medical conditions requiring medical treatment in a hospital, quarantine in a government-appointed location, and could possibly lead to death.

 - You are aware The Company requires all participants to adhere to all local, state, federal, national, and international directives regarding social distancing, facemasks, and other public health requirements.
 - You are aware The Company must abide by the laws and regulations of local, state, federal, and other national and international governments regarding the safety and the spread of communicable diseases, which may include quarantine in a foreign location, at your expense, without physical access to family and friends and could result in trip interruption or cancellation.
 - You are aware that, where possible, The Company will continue to implement policies intended to reduce the potential for the spread of COVID-19 and any other infectious disease, but that The Company cannot guarantee that you, or members of your traveling party, will not become infected with COVID-19 or any other infectious disease as a result of participating in the tour/cruise.
